

# Test & Teach: Series One

Client: Mayne Health

*"I think you have done a fantastic job, The final result really does look positively first class."*

- Prof. Peter Russell -  
Senior Histopathologist,  
Royal Prince Alfred  
Hospital

Cerebrum helped Mayne Health realise a powerful marketing campaign which has cemented the health provider's standing in the pathology community. Using an interactive educational CD-ROM and companion website, Cerebrum designed and developed "Test & Teach: Series One" as a framework for Mayne to deliver ongoing cost-effective educational promotions to health professionals.
