

Online Sports Store

Client: Victory Sports

"It is brilliant - just so easy to use. It is exactly what we wanted. You guys have been great."

- Peter Hall, Owner

Cerebrum worked with Gold Coast Nike specialist Victory Sports to design and build an online store that could be easily managed and maintained by staff. Working to a brief of simplicity and ease-of-use, Cerebrum delivered a system that allows users to order store stock online and staff to regularly update the site with each season's catalogue.
